The Keys to the Kingdom

But the keys to the kingdom are changing hands. The future belongs to a very different kind of person with a very different kind of mind—creators and empathizers, pattern recognizers, and meaning makers. These people—artists, inventors, designers, storytellers, caregivers, consolers, big picture thinkers—will now reap society's richest rewards and share its greatest joys.

~Daniel Pink, A Whole New Mind

Business Matters

One local business estimated their local economic impact
at 20xs their annual revenue based on
salaries, cost of doing business, taxes, giving.
